विद्युत परियोजनाएं स्थापित करने के लिए बॉण्ड जारी करके और वित्तीय संस्थाओं तथा बैंकों से ऋण प्राप्त करने आदि रूपों में घरेलू बाजार से संसाधन जुटा रहा है।

(ख) पारेषण परियोजनाओं को स्थापित करने के लिए बॉण्ड जारी करके घरेलू बाजार से संसाधन जुटाने के वास्ते सरकार द्वारा पावरग्रिड को अधिकृत किया गया है।

(ग) वर्ष 1991-92 से 1996-97 की अवधि के दौरान त्रिपुरा की परियोजना समेत पारेषण परियोजनाओं की स्थापना करने के लिए पावरग्रिड ने 1250 करोड़ रु० मूल्य के बाण्ड जारी किए है। वर्षवार ब्यौरा निम्नवत् है:—

(आंकड़े करोड़ रुपए में)

	सरकार द्वारा अधिकृत	वर्ष के दौरान जुटाए गए अभ्युक्ति
1991-92	200	200
1992-93	200	नहीं जुटाए गए
1993-94	250	250
1994-95	250	116
		134 वित्तीय वर्ष 95-96 में जुटाए गए
1996-97	350	143
		206 वित्तीय वर्ष 96-97 में जुटाए गए
1996-97	200	200

(घ) त्रिपुरा में पावरग्रिड द्वारा क्रियान्वित की जा रही परियोजनाओं का ब्यौरा निम्नवत् है:—

	अनुमानित लागत (करोड़ रु०)
(1) अगरतला पारेषण प्रणाली	19.32
(2) दक्षिणी असम, मेघालय, त्रिपुरा में पारेषण प्रणाली का विस्तार	83.57

इन दोनों प्रणालियों को मार्च, 1999 में चालू किए जाने का कार्यक्रम है।

Recommendations of the Committee of Secretaries about Import of Naptha

3605. SHRI SANJAY DALMIA: Will the PRIME MINISTER be pleased to state:

(a) whether Naptha, as a fuel for power generation is likely to cost more, as stated by the Committee of Secretaries;

(b) whether the Comittee has also recommended for revision in import tariff to discourage its use for power generation;

(c) if so, the details thereof; and

(d) whether the Committee has agreed that the disincentive be built in through tariff restructuring, rather than quantitative restriction;

(e) whether Government have accepted recommendations of the Committee; and

(f) if so, by when these are likely to be implemented?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (DR. S. VENUGOPALACHARI): (a) to (f) Naptha has been permitted to be used as a fuel for power generation apart from other liquid fuels like Low Sulphur Heavy Stock (LSHS), Heavy Furnace Oil (HFO), Furnace Oil (FO), Heavy Petroleum Stock (HPS). The cost of generation would vary depending upon the location and relative cost of fuels at any point of time. Various States have requested, from time to time, for allocation of naphtha/other liquids fuel for various liquid fuel based power projects proposed to be set up in the respective states. In

view of the proposals being far more than the availability of naptha/liquid fuels, all the liquid fuel proposals were reviewed by the Government of India and detailed guidelines were issued to the concerned states for recommending projects for liquid fuel linkage within the overall capacity allocated to them (12.000 MW to the country as a whole). The capacity includes allocation of not only naptha, but also other permitted liquid fuels. The States are making project-wise recommendations for provisional fuel linkage.

Monitoring of Private Sector Power Projects

3606. SHRI CHIMANBHAI HARIBHAI SHUKLA: Will the PRIME MINISTER be pleased to state:

(a) the number and details of private sector investment-based power projects in operation in the each State;

(b) whether Government have taken any steps for Monitoring all the private sector's investment-based power projects;

(c) if so, the details thereof;

(d) whether Government have also taken any concrete measures for coordinating the power generation sector in the country; and

(e) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (DR. S. VENUGOPALACHARI): (a) As on date, Ministry of Power is monitoring 95 proposals for setting up of power projects in the private sector on the Memorandum of Understanding (MoU)/Letter of Intent (LoI). etc. route (costing more than Rs. 100 crores). As per information available the projects on the above mentioned route which have commenced partial generation are given below:

Sl. No.	Name of the Project	Total capacity (MW)	Capacity/ commissioned (MW)
i.	Hazira Combined Cycle Gas Turbine	515	3 × 110
ii.	Jegurupadu Combined Cycle Gas Turbine	216	3 × 45.8
iii.	Godavari Combined Cycle Gas Turbine	208	45.8

(b) and (c) The Ministry of Power is regularly monitoring the progress of all the proposals for setting up of power projects in the private sector, through periodical meetings with the private promoters, concerned State Governments/State Electricity Boards. Central Electricity Authority and the concerned Ministries/Departments of the Government of India.

(d) and (e) The various measures being taken for coordinating the power generation in the country, inter-alia, include addition of capacity, encouraging private sector participation in power generation, better demand side management, energy conservation measures, renovation and modernisation of existing plants, reduction of transmission and distribution losses and effective utilisation of generation by transfer of power from surplus regions, if any, to deficit regions through inter-regional links.

उद्योगों पर विद्युत शुल्क की बकाया राशियां

3607. **श्री गोपाल सिंह जी० सोलंकी:** क्या प्रधान मंत्री यह बताने की कृपा करेंगे कि:
